## PASTORS MESSAGE

My dear parishioners and friends,  
I would like to take this opportunity to wish you all a Merry and a Blessed Christmas and a Happy and Blessed New Year.

Let us celebrate this great mystery of our faith with joy and devotion having always in mind that the Word became flesh to bring good news to the world, the Good News of God, the Good News of Salvation. No matter what others will try to do to stop Jesus from being born for us the humankind, Jesus will always be born in all the hearts that are willing to accept Him inside. Let us welcome Jesus in the depth of our heart and keep Him there, warm and quiet till the moment we get to meet Him in heaven.
